## Car Toys

### New Store Launch

Car Toys awarded the interior and exterior graphic launch for their new store openings to Stella Color. Multiple technologies were utilized to meet the required effects of Car Toys dynamic in-store experience. Backlit, large, small, indoor and outdoor, Stella Color produced all of the interior and exterior signage to allow Car Toys to open their new Tukwila, WA and Parker, CO locations. Stella Color managed the on-site installation and holds additional inventory available for monthly change out requirements.
