Fleet and Vehicle Wraps

Prestige Care, Inc. retained Dan Baker Creative to create an announcement campaign for their care facility in Vancouver, Washington. Prestige Care invited Stella Color to manage the output, engineering, and site-specific installs for their care centers. Stella Color's ability to texture-map concepts of the vehicle designs for immediate proofing and approval conserved valuable time from the schedule. Stella Color's experienced installation team managed the vehicle wraps. Nationwide installation is another reason Dan Baker Creative selected Stella Color to extend the fleet program for facilities in the region.
