Stretch Physical Therapy

Stella Color was recently requested to assist Stretch Physical Therapy to better announce their location to their community and potential clients. Stella Color collaborated with Stretch's independent designer to resource printing methods and media to emphasize their zen-inspired look and feel. Stella color utilized direct-print technology to make a custom color matched 2nd surface frosted window film that matched the company's corporate identity colors. Stella color also managed the site-specific measurements and installation to reduce the lead-time to announce Stretch Physical Therapy's new location.

Think Stella Color for permanent or temporary signage solutions – with faster responses that exceed your expectations.
